The Story Behind

Reaffirming Leadership Amongst Top <1% Global Microsoft Partners

INNER CIRCLE
FOR MICROSOFT AI BUSINESS SOLUTIONS

India Business Gaining Momentum

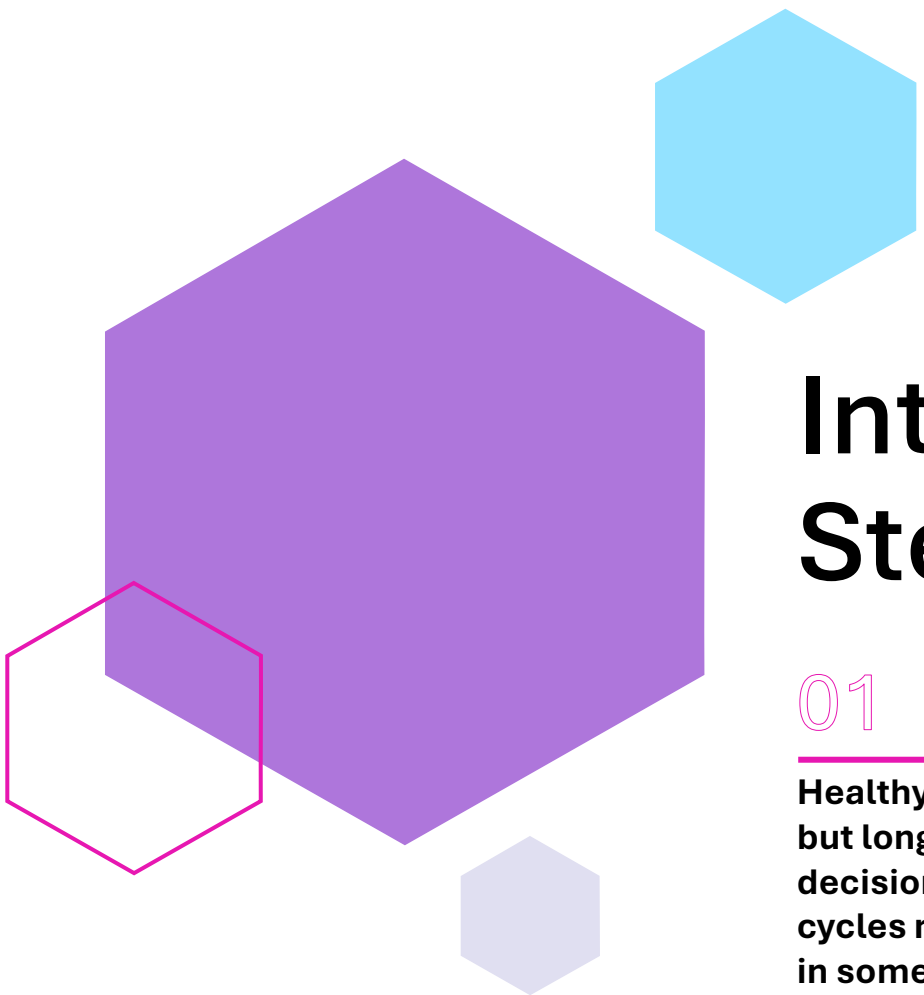

Increase in new customer add numbers

Increased interest in AI adoption.

New IP developed for CPQ (Configure Price & Quote). Pilot customer gone live.

SAP customers showing interest in Microsoft solutions. 2 deals won recently.

Alletec remains in the leadership position in India geography

International Business Steady Traction

01

Healthy pipeline, but longer decision making cycles resulted in some deals shifting to Q3; hence lower than usual customer adds in Q2.

02

Services revenue remained identical to Q1

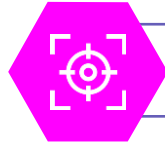

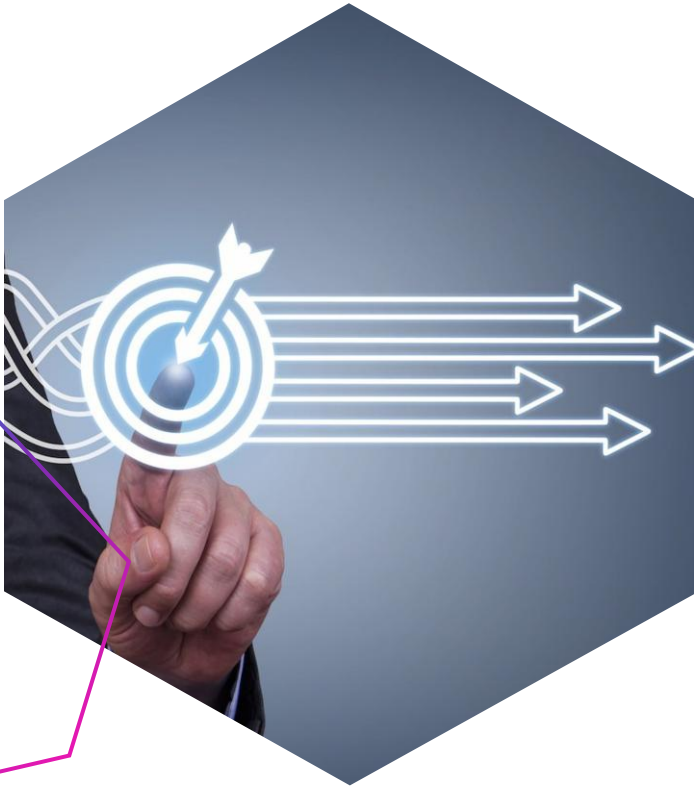

03

Data Engineering and AI with Microsoft Fabric, Copilots and AI Foundry now part of most customer conversations.

04

Sales cycles prolonged due to enhanced focus on mid-market customers, and overall global macroeconomic sentiment.

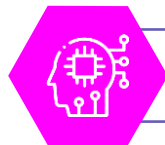

Strategic Alignment

Increase business share from mid-market customers

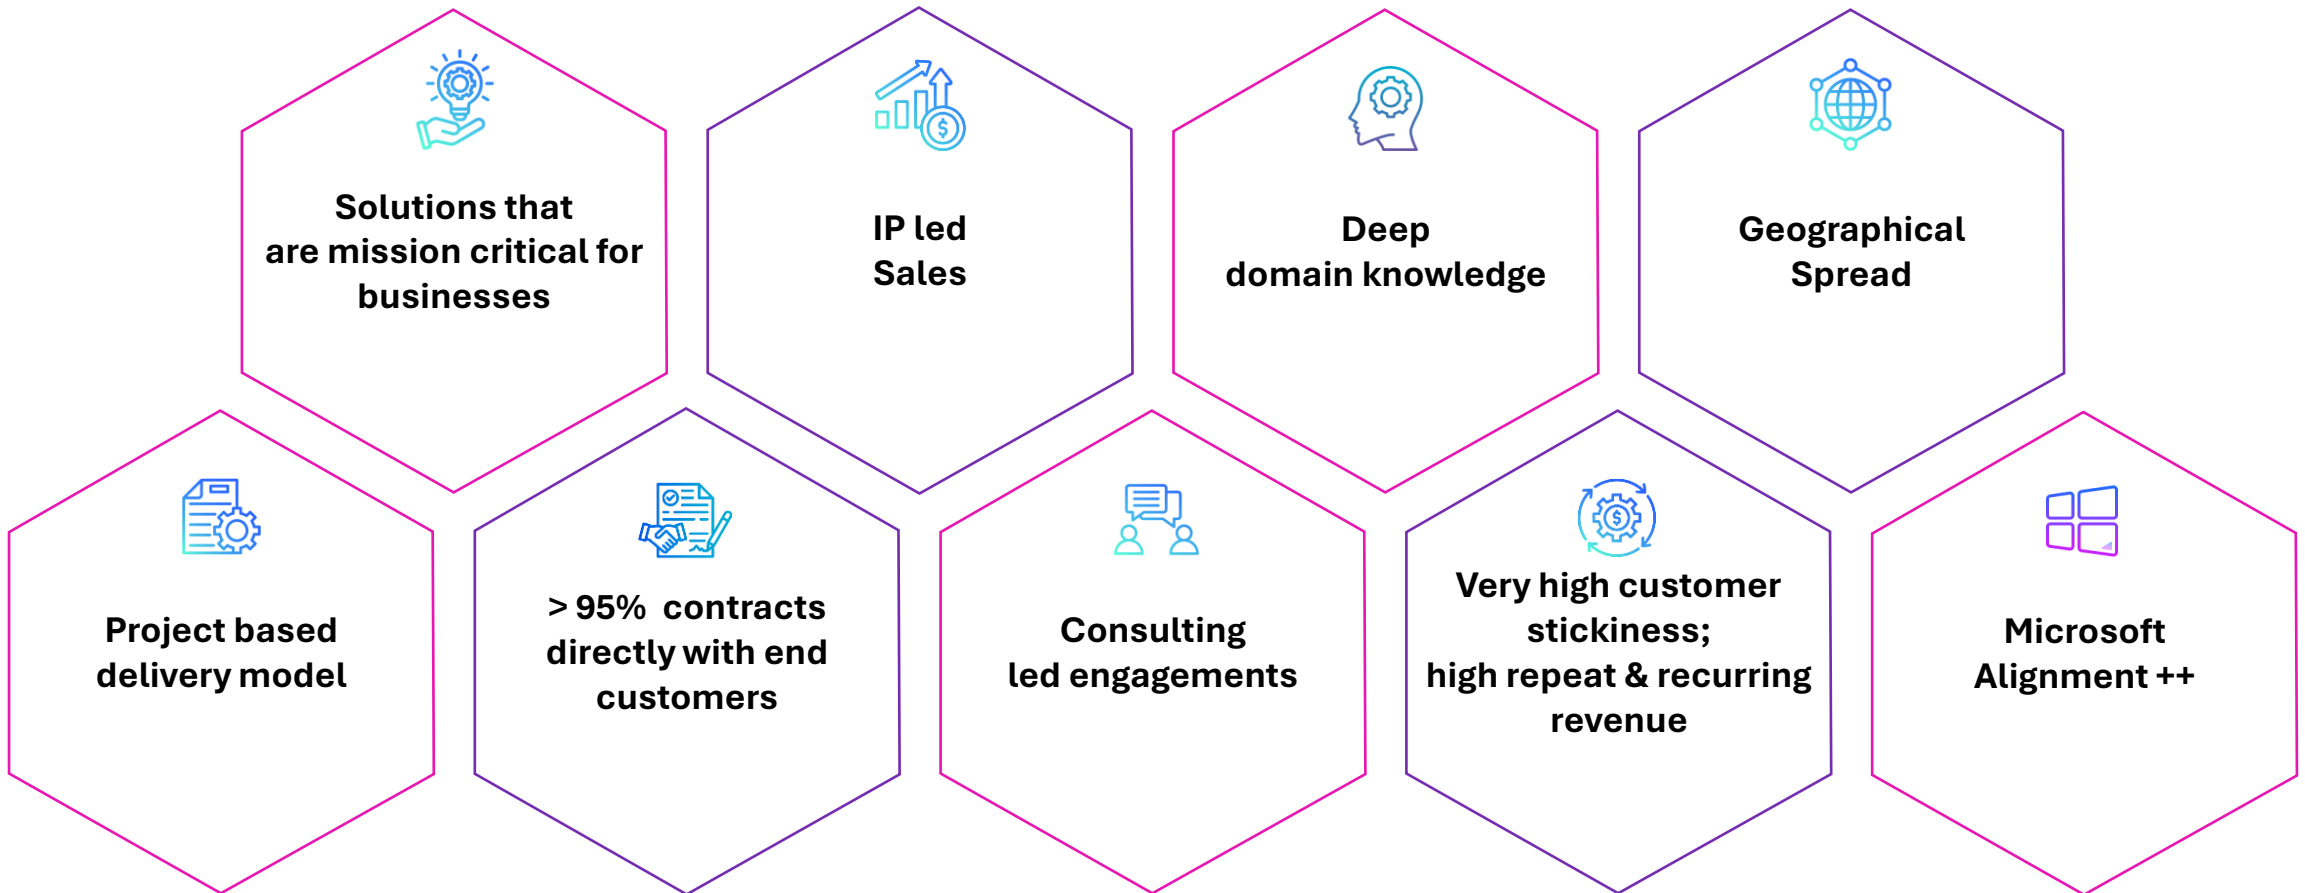

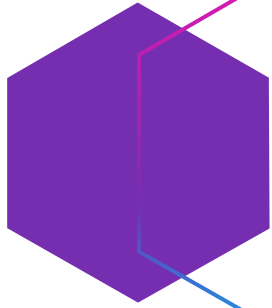

Embedding AI-capabilities in all offerings

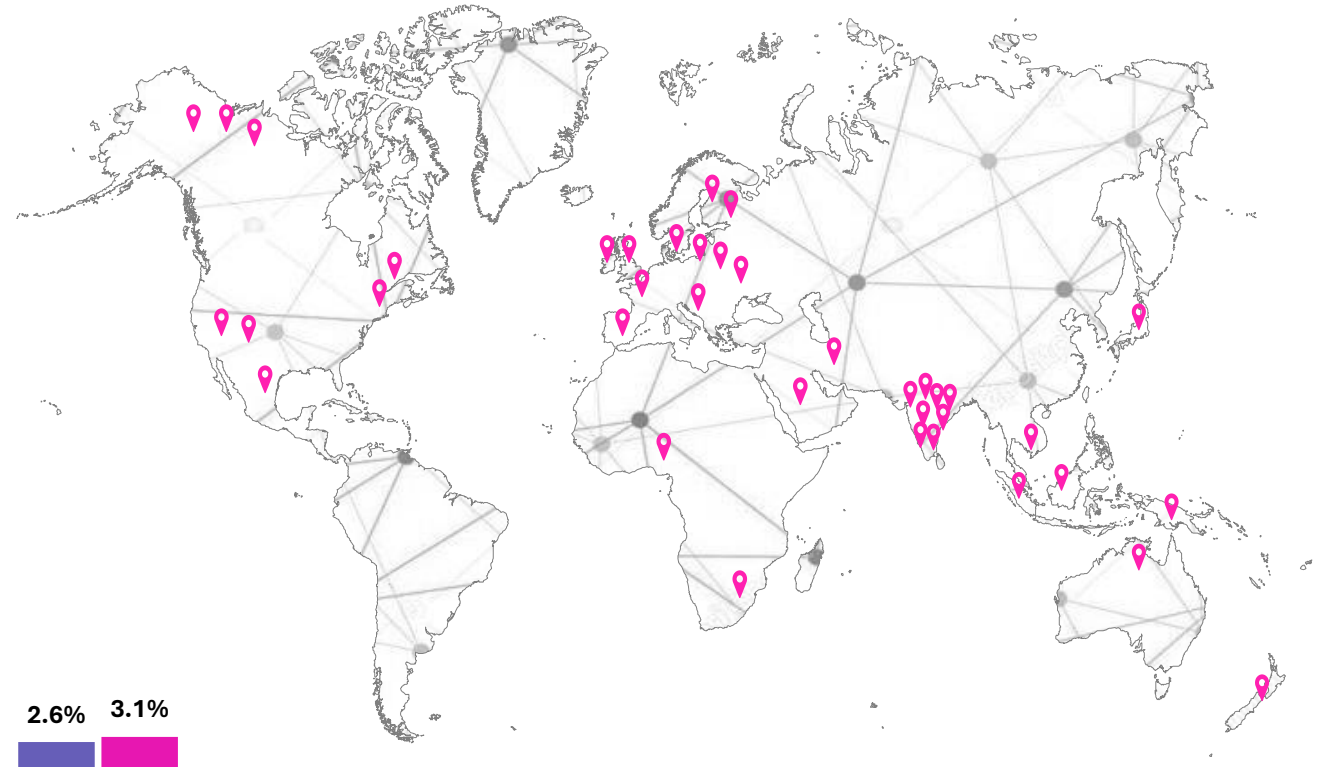

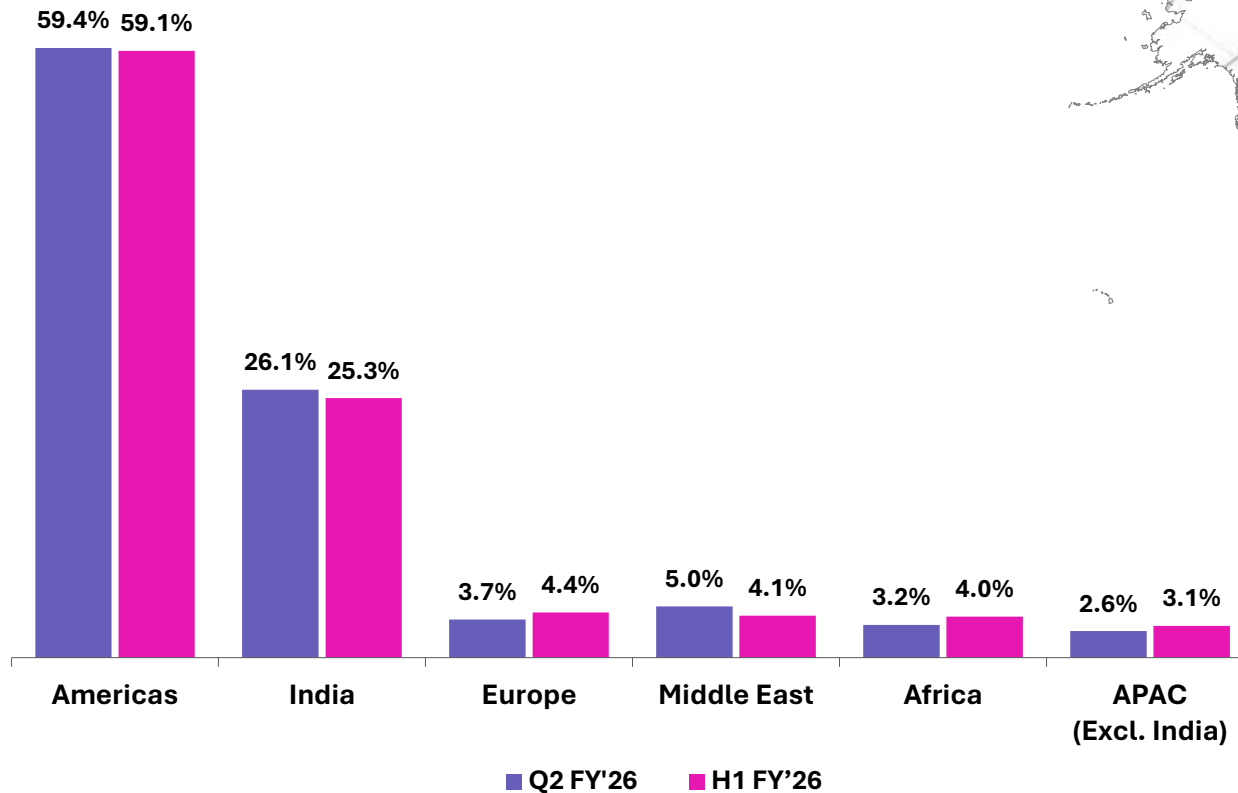

Enhanced focus on productization of solutions & services

Business Model Revalidation

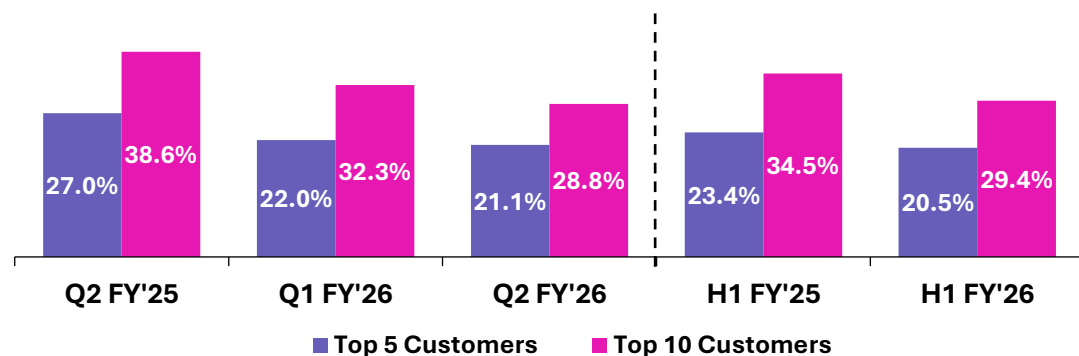

Geographic Spread

Services Revenue Breakup

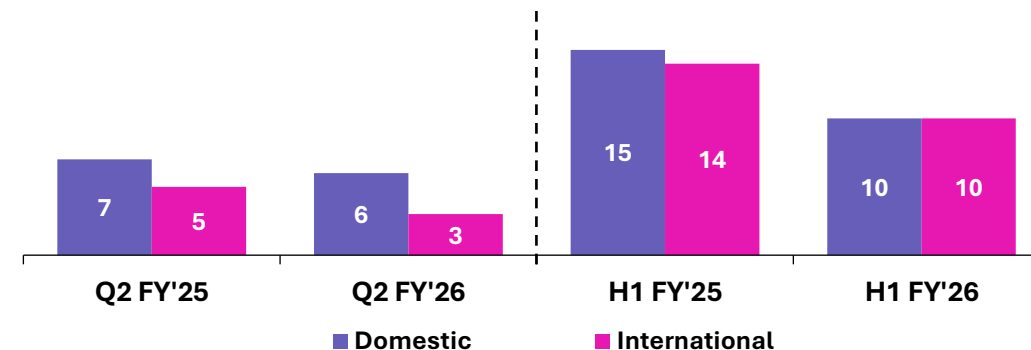

Customer Engagement

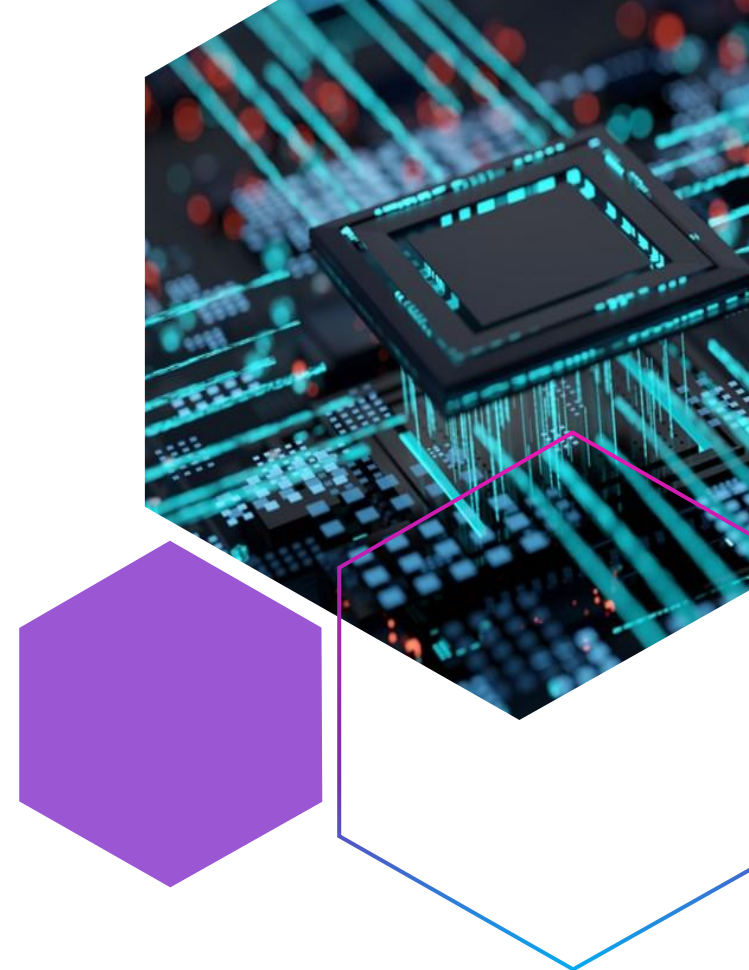

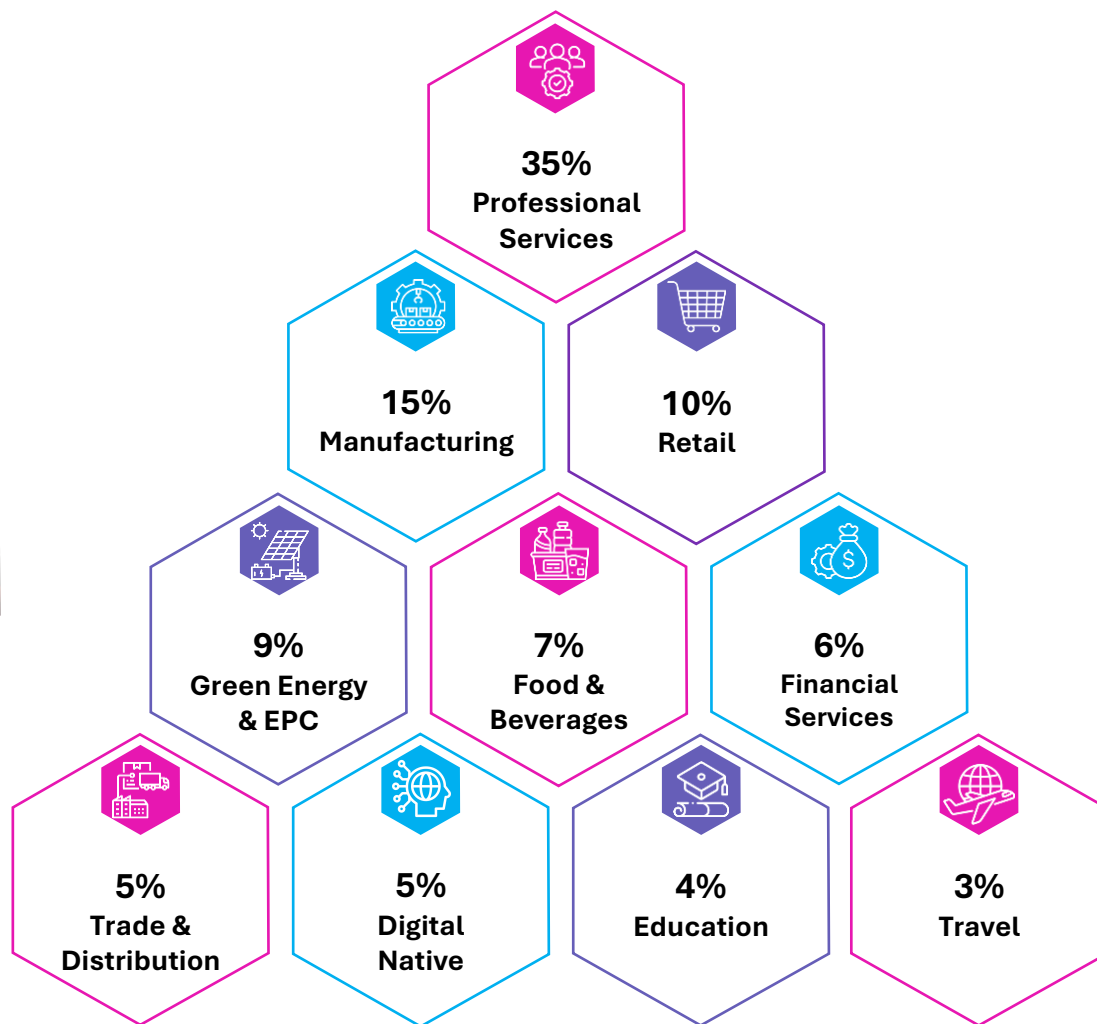

Revenue from Top Customers

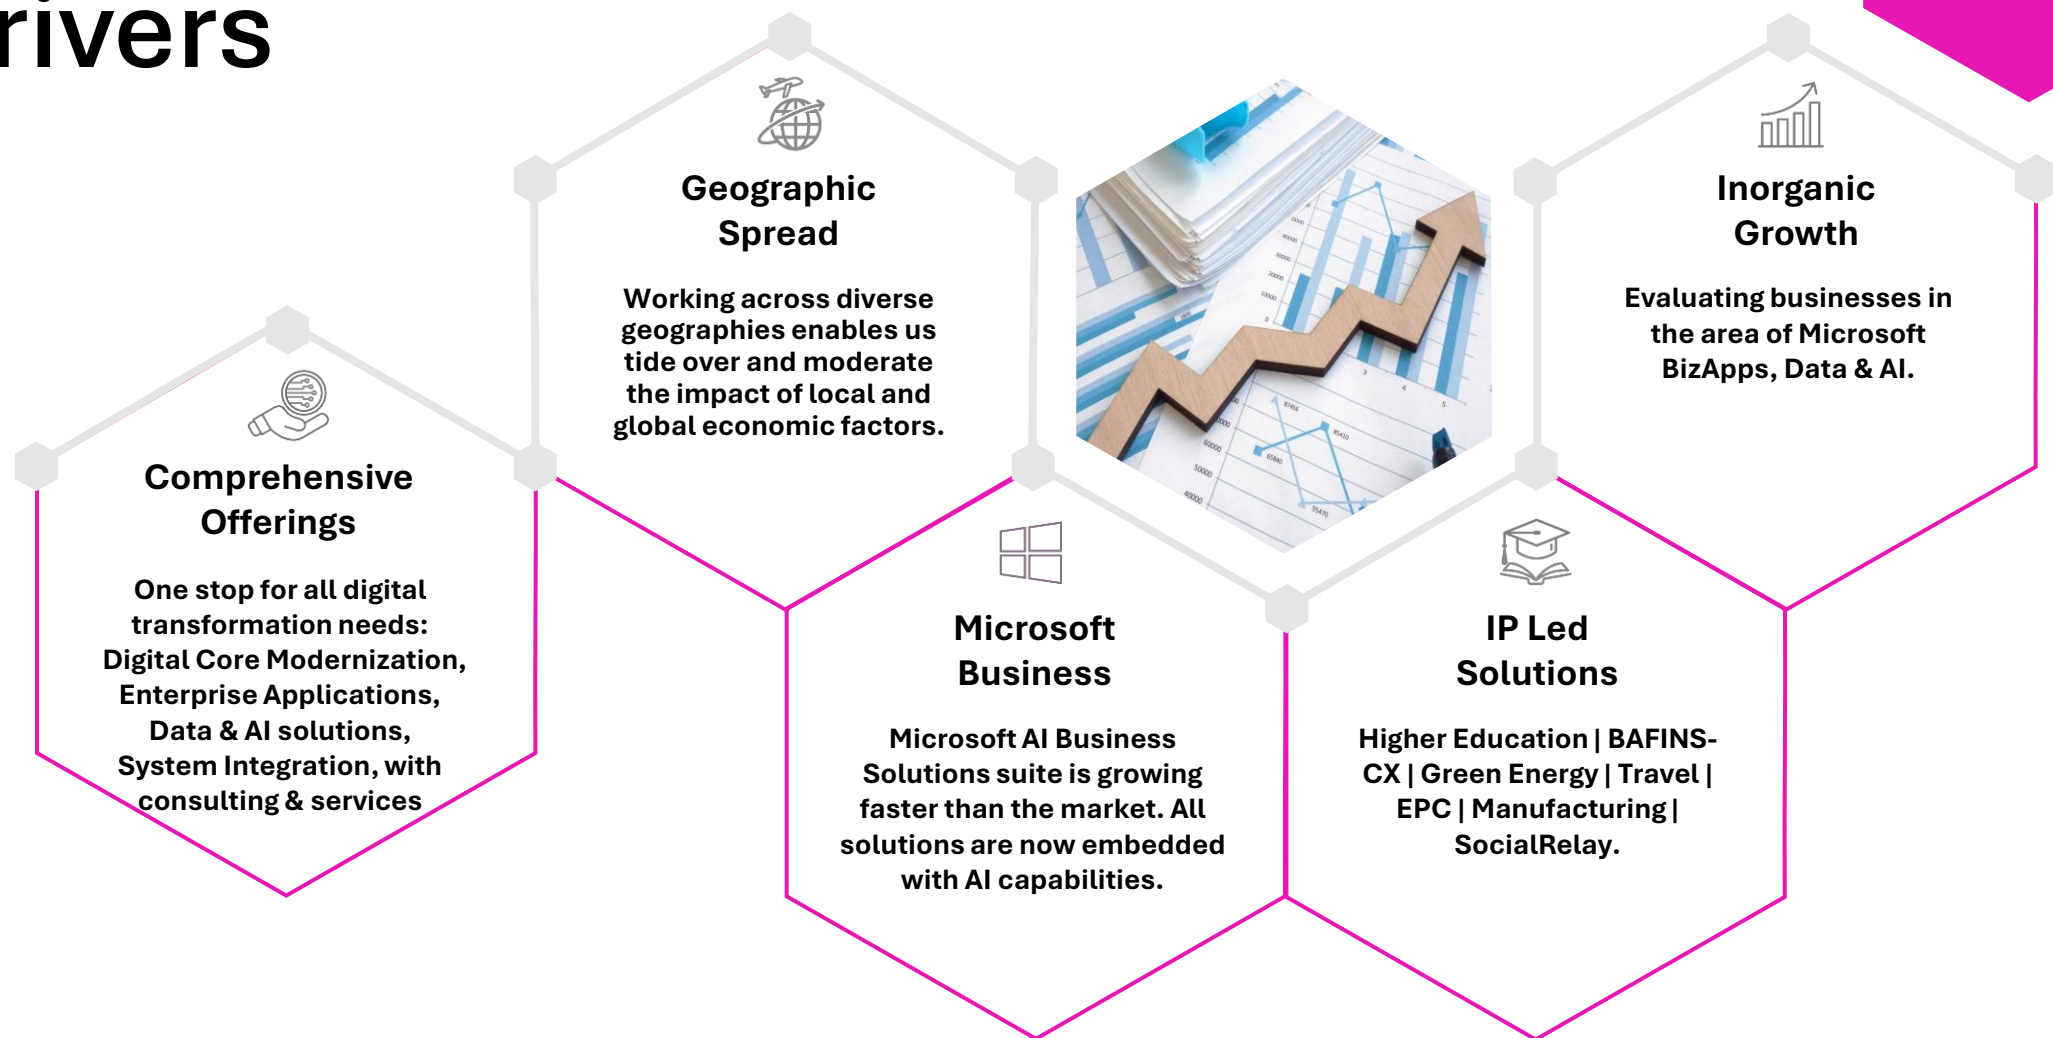

New Customers Added

Enabling Enterprises Do More With Digital Transformation

Digital Core Modernization

Transform operations, customer experiences, and business models by modernizing the digital core with cloud computing, automation, applications modernization, collaboration, data engineering and AI

Enterprise Applications

ERP, CRM, HCM, and Commerce applications
- Implement and customize to meet specific business needs.

Process Optimization

Optimize performance by streamlining business processes to improve efficiency and reduce costs through process assessments, bottlenecks identification, and redesigning workflows.

System Integration

Integrate disparate systems and new technologies, ensuring robust IT architecture and seamless data flow across the organization.

Data & AI

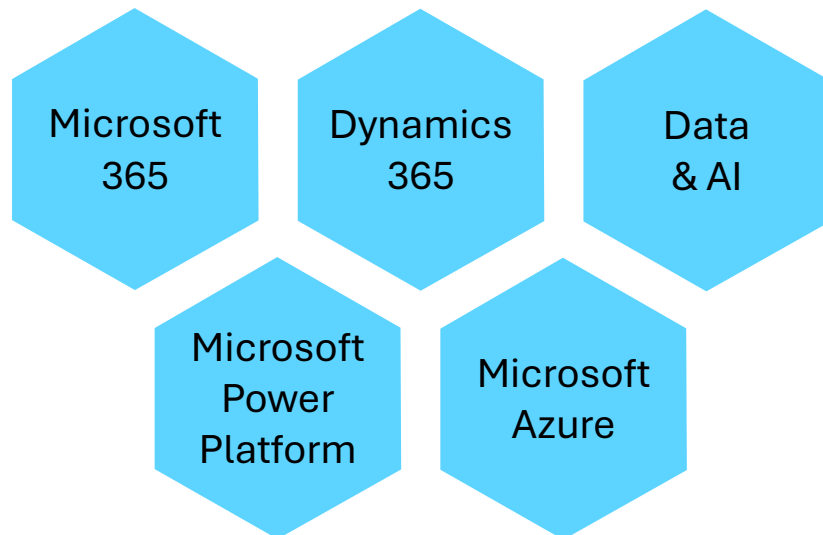

Harness the power of data and analytics to gain valuable insights, make data-driven decisions, and enable business growth with data management, advanced analytics, predictive modelling, and AI-driven insights.

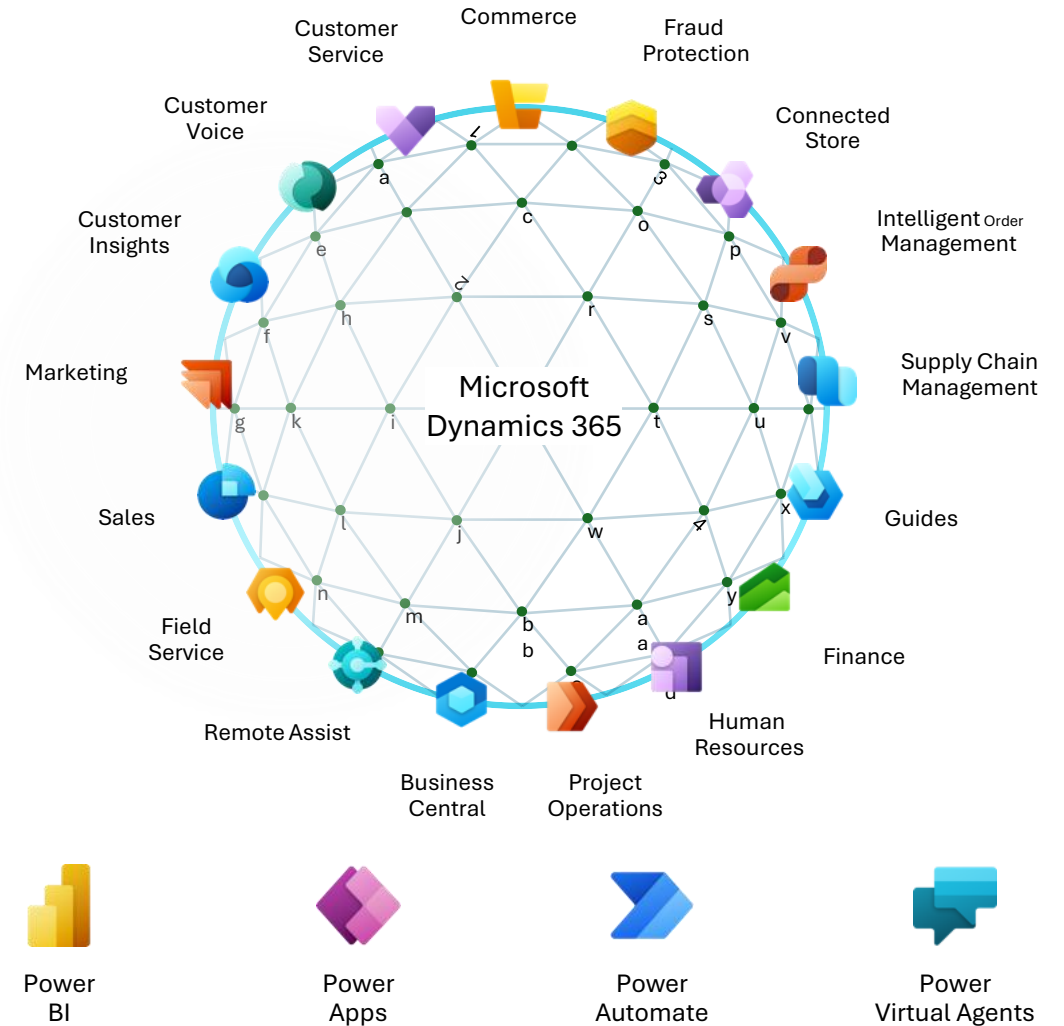

Change Management

Help manage organizational changes accompanying technology implementations - trainings, communication, and readiness assessments for smooth transitions and adoption

Corporate Social Responsibility

OM Foundation

OM Foundation is a Noida-based registered, secular, gender-sensitive and humanitarian public charitable trust. Founded in the year 2002 to provide education to the children of slums in Noida, OM today aims to make a significant contribution to the economically and socially disadvantaged citizens of India. Towards this, the Foundation has created, managed and supported programs aimed to bring about sustainable changes, predominantly in the field of education and employment for the underprivileged.

CR Kothari Memorial Charitable Trust

CRKMC Trust is dedicated to the upliftment of economically weaker & underprivileged sections of our society, with main focus on facilitating the education of students from this social stratum. We provide guidance and financial support to deserving but deprived students with a dream to study and grow professionally.

The Earth Saviours Foundation

In service of the underprivileged, destitute, abandoned and the old since 2008. The Earth Saviours Foundation has been dedicated to serving the underprivileged, providing a safe haven for mistreated animals, and making every possible effort to protect the environment.

Books for All Trust

Focused on bringing literacy and education to the weaker sections of the society. The Trust runs several libraries, career counselling and vocational trainings, and several sponsorships. They have recently started a literacy programme to empower women.

SightSavers India

Sightsavers have been working in India since 1966 to eliminate avoidable blindness and support people who are irreversibly blind to lead independent lives. Sightsavers' work in India has enabled thousands of people to lead lives of independence and dignity. Sightsavers have been working with government and local partners and have supported the treatment of millions of people with eye disorders.

Bridging the Gap
