

**INDEPENDENT AUDITOR'S REPORT**

To The Members of  
All e Consulting Private Limited

**Report on the audit of the financial statements**

**Opinion**

We have audited the accompanying financial statements of **All e Consulting Private Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2025 and the Statement of Profit and Loss and statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2025, its profit and cash flows for the year ended on that date.

**Basis for opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

**Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

#### **Information other than the financial statements and auditor's report thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Management's responsibility for the Financial Statements**

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other legal and regulatory requirements**

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
- e) On the basis of the written representations received from the directors and taken on record by the board of directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) Since the Company's turnover as per last audited financial statements is less than Rs. 50 Crore and its borrowings from banks and financial institutions at any time during the year is less than Rs. 25 Crore, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

- a. The Company does not have any pending litigations which would impact its financial position;
- b. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
- c. There is no amount which required to be transferred, to the Investor Education and Protection Fund by the Company.

h) (i) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding whether recorded in writing or otherwise, that the Intermediary shall whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(ii) No funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

Based on such audit procedures that we here considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material miss-statement.

i) The Company has neither declared nor paid dividend during the year, hence this clause is not applicable.

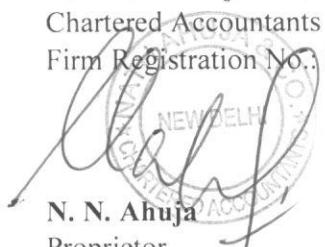

j) Based on our examination, which included test checks, the company has used accounting software for maintaining its books of accounts for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

Note	Particulars
1	<p><b>Corporate Information</b></p> <p>All e Consulting Private Limited is a leading provider of Business Solutions to various Companies. It streamlines and automates core business processes with 'Product Based' solutions built with Microsoft Dynamics ERP, CRM developing 'Custom Built' solutions for client specific applications and provides IT Services for all stages of software development and maintenance.</p> <p>Place of Business:- UU-14, Vishakha Enclave, Pitampura, Delhi-110034</p>
2	<p><b>Significant Accounting Policies</b></p> <p>The Financial statements have been prepared using the significant accounting policies and measurement bases summarized below:</p>
2.1	<p><b>Basis of accounting and preparation of Financial Statements</b></p> <p>The financial statements of the Company have been prepared on <b>Going Concern basis</b> in accordance with the accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost convention on the accrual basis except for certain financial instruments which are measured at market values.</p> <p>GAAP comprises mandatory Accounting Standards as prescribed under section 133 of the Companies Act 2013('Act ') read with rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use in India (Indian GAAP).</p> <p>The financial statements are presented in Indian Rupees (₹) which is also the functional currency of the Company.</p>
2.2	<p><b>Use of Estimates</b></p> <p>The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year.</p> <p>The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize.</p>
2.3	<p><b>Cash and cash equivalents (for purposes of Cash Flow Statement)</b></p> <p>Cash comprises cash in hand and Term deposits with banks. Cash equivalents are short-term Deposits (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.</p>
2.4	<p><b>Cash flow statement</b></p> <p>Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.</p>

**Notes forming part of the Financial Statements**

2.5	<p><b>Revenue recognition</b></p> <p><u>Revenue from Business Solutions &amp; IT related Services:</u></p> <p>Revenues from customer contracts are considered for recognition and measurement when the contract has been approved in writing by the parties to the contract, the parties to the contract are committed to perform their respective obligations under the contract, and the contract is legally enforceable.</p> <p>Revenue is recognized upon transfer of control of promised products or services ("performance obligations") to customers in an amount that reflects the consideration the Company has received or expects to receive in exchange for these products or services ("transaction price"). When there is uncertainty as to collectability, revenue recognition is postponed until such uncertainty is resolved.</p> <p>Revenue with respect to time and-material contracts is recognized over the period of time as the related services are performed. Revenue that has been received during the year but related services have not been rendered, the same has been classified as "unearned revenue" under current liabilities. The said revenue shall be recognized as and when the related services will be rendered.</p> <p>Revenue with respect to fixed price contracts where performance obligation is transferred over time and where there is no uncertainty as to measurability or collection of consideration is recognized in accordance with the completion of milestones defined in customer contracts or based on proportionate performance method. In case of short term contracts, such revenue is recognised using completed contract method.</p>
2.6	<p><b>Interest income</b></p> <p>Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.</p>
2.7	<p><b>Other Income</b></p> <p>Other income is accounted on accrual basis.</p>
2.8	<p><b>(i) Property, Plant and Equipment</b></p> <p>Property, Plant and Equipment are carried at cost less accumulated depreciation / amortisation and impairment losses, if any. The cost of Property, Plant and Equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses.</p> <p><b>(ii) Depreciation</b></p> <p>Depreciation on Property, Plant and Equipment has been provided on the written down value method as per the useful life prescribed in Schedule II to the Companies Act, 2013</p> <p>The useful life of Property, Plant and Equipments are reviewed by the management at each financial year-end and revised, if appropriate. In case of a revision, the unamortized depreciable amount is charged over the revised remaining useful life.</p> <p>Property, Plant and Equipment retired from active use and held for sale are stated at the lower of their net book value and net realizable value and are disclosed separately in the Balance Sheet.</p>
2.9	<p><b>(i) Intangible Assets</b></p> <p>Intangible assets that are acquired/developed by the Company i.e. Software/Business Solutions/Modules are measured initially at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortization and impairment loss, if any. Subsequent expenditure is capitalized only when it increases the future economic benefits from the specific asset to which it relates.</p> <p><b>(ii) Amortization</b></p> <p>Amortization method and useful lives are reviewed at each reporting date. If the useful life of an asset is estimated to be significantly different from the previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.</p>

**Notes forming part of the Financial Statements**

2.10	<p><b>Impairment of Assets</b></p> <p>The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.</p> <p>When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.</p>
2.11	<p><b>Foreign Currency transactions and translations</b></p> <p>Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.</p> <p>Foreign currency monetary items (other than derivative contracts) of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.</p> <p>Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.</p>
2.12	<p><b>Employee benefits</b></p> <p><b>1) Short Term Employee Benefits</b></p> <p>All benefits payable to employees wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, short term compensated absences, the expected cost of bonus, ex-gratia, or any other short-term employee benefits are recognized in the period in which the employee renders the related service.</p> <p><b>2) Post Employment Benefits</b></p> <p>(i) <b>Defined contribution plans</b></p> <p>The Company has opted for defined contribution plan provident fund scheme run by the Government. The contribution paid/payable under the scheme is recognized during the period in which the employee renders the related service.</p> <p>(ii) <b>Defined benefit plans</b></p> <p>The employees' have gratuity scheme in accordance with the Payment of Gratuity Act, 1972 and is a defined benefit plan. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation carried as at Balance Sheet date using the Projected Unit Credit Method which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.</p> <p>The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date having maturity periods approximating to the terms of related obligations. Actuarial gain and losses are recognized immediately in the profit &amp; loss account.</p> <p><b>3) Long Term Employee Benefits</b></p> <p>The obligation for long term employee benefits such as long term compensated absences is recognized in the same manner as in the case of defined benefit plans as mentioned in note above.</p>
2.13	<p><b>Earnings per Share</b></p> <p>Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.</p>

**Notes forming part of the Financial Statements**

2.14	<p><b>Taxes on Income</b></p> <p>Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.</p> <p>Deferred tax is recognized on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realize such assets. Deferred tax assets are recognized for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realized. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their reliability.</p>
2.15	<p><b>Provisions and Contingencies</b></p> <p>A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.</p>
2.16	<p><b>Investments</b></p> <p>Investments that are readily realizable and are intended to be held for not more than one year from the balance sheet date are classified as current investments and are stated at lower of cost and fair market value. All other investments are classified as long term investments.</p> <p>Long term investments are stated at cost of acquisition. Provision, if any, is made to recognise a decline other than a temporary, in the value of long term investments.</p>
2.17	<p><b>Leases</b></p> <p><b>(i) Operating Leases</b></p> <p>Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss over the lease term.</p> <p><b>(ii) Finance Leases</b></p> <p>The lower of the fair value of the assets and present value of the minimum lease rentals is capitalised as Fixed Assets with corresponding amount disclosed as lease liability. The principal component in the lease rental is adjusted against the lease liability and the interest component is charged to Profit and Loss Statement.</p>
2.18	<p><b>Previous year's figures</b></p> <p>Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification/ disclosure.</p>
